

WILDLIFE AND COUNTRYSIDE ACT 1981

To Lincolnshire County Council of Newland Lincoln.

I, Christopher Padley, as joint secretary of the Lincolnshire Fieldpaths Association hereby apply for an order under section 53(2) of the Wildlife and Countryside Act 1981 modifying the definitive map and statement for the area by:

upgrading the bridleway known as Ancaster Pottergate in the parish of Ancaster between the OS ref. points SK 969464 and SK 983440 to a byway open to all traffic and adding to the particulars in the statement that it has a width of sixty feet. Also by amending the route where necessary to concur with the Ancaster enclosure award map.

Dated 13 November 1991

  
Christopher Padley

This application is based principally on the Ancaster enclosure award which both awards the road as a carriageway and makes it clear that it then already existed along the "usual course of an ancient road". In addition the name Pottergate is the name of an ancient road running all the way from Lincoln to Ancaster. The name is Danish in origin. Pottergate is clearly an old public road of some importance in past times.
