We will ask the **policyholder** to complete a claim form and to provide at their own expense all reasonable and necessary evidence required by **us** to support a claim. If the information supplied is insufficient, **we** will identify the further information which is required. This evidence may include written confirmation from a **group policyholder** that the **insured person** was insured at the time of the event giving rise to the claim and, if applicable, that they have paid the premium for the period of their inclusion under this group policy. If **we** do not receive the information **we** need, **we** may reject the claim.

We may also contact third parties which have or which were to provide services to the **insured person** (for example an airline, travel company or hotel) to verify the information provided to support a claim.

We may ask the **insured person** to have one or more medical examinations. If **we** do, **we** will pay the cost of the examination(s) and for any medical reports and records and the **insured person's** reasonable travelling expenses to attend (and their **parent** if the **insured person** is a **child** under 18 years of age), if these expenses are agreed by **us** in advance. If the **insured person** fails to attend without reasonable cause, **we** may reject the claim.

The **policyholder** must give **us** permission to obtain any medical reports or records needed from any **medical practitioner** who has treated the **insured person** otherwise **we** may not pay any claim.

We will only pay for the **bodily injury** the **insured person** has suffered if it is directly as the result of an **accident**. Any existing physical impairment or medical condition the **insured person** has before the **accident** will be taken into consideration in calculating the amount payable on the basis of the difference between the **insured person's** physical impairment or medical condition before and after the **accident**.

We will ask the **insured person's medical practitioner** (if suitably qualified) or the **medical consultant** who treated the **insured person** to make these assessments (or an independent **medical consultant** or other suitably qualified person if they are unable or unwilling to do so). This assessment will be converted into a percentage and applied to the policy benefit payable.

If an **insured person** dies, **we** have the right to ask for a post-mortem examination at **our** expense. If this is refused, **we** may not pay the claim.

If the **insured person** (or the person claiming on the **insured person's** behalf if the **insured person** dies) does not comply with any reasonable request by **us** under this claims procedure **we** may not pay the claim.

Payment of benefits

We will deal with covered **death** claims as follows:

- a. If an **insured person** is 18 years of age or over we will pay the **sum insured** to the executor or legal representative of the deceased **insured person's** estate.

- b. If an **insured person** is under 18 years of age we will pay the **sum insured** to a **parent** of the **insured person** for the benefit of the **insured person**.

The receipt of the payment will be a full discharge of all liability by **us** in respect of the claim.

General policy conditions

1. Assignment

This policy may not be assigned or transferred unless otherwise agreed by **us** in writing.

2. Interest on amounts payable

We will not pay interest on any amount paid under this policy.

3. Law and jurisdiction

This policy will be governed by English law, and the **group policyholder**, the **insured persons** and **we** agree to submit to the courts of England and Wales to determine any dispute arising under or in connection with it, unless the relevant **insured person** resides in Scotland, Northern Ireland or the Isle of Man, in which case the law applicable to that jurisdiction will apply and its courts will have exclusive jurisdiction, unless agreed to the contrary by the **group policyholder** and **us** before the start date of cover.

The terms and conditions of this policy will only be available in English and all communication relating to this policy will be in English.

4. Policy alteration

We may change the terms and conditions, including the premium, of this policy at any time and as considered necessary to reflect any event outside **our** control or that **we** expect to have an impact on future claims which **we** could not reasonably have foreseen when **we** last reviewed the cover terms and premiums or in the event of any change in the law affecting this policy, for example a change in Insurance Premium Tax.

Before **we** make any changes, **we** will give the **group policyholders** 30 days notice in writing.

If the changes are acceptable to the **group policyholder** then this cover will continue. The **group policyholder** is responsible for notifying **insured persons** included in this policy of the changes applicable.

If the changes are not acceptable, the **group policyholder** may cancel this policy. If this happens, no claims will be paid after the date of the cancellation. Any premium for the unused portion of the **period of insurance** will be returned to the **group policyholder** who is responsible for passing on any return premium to an **insured person** who has paid the premium, or the premium has been collected from them.

Only the **group policyholder** and **us** have rights to alter the policy as described.

5. Premium payment

The premiums are to be paid as agreed and information will be supplied to **us** in the form and at the frequency reasonably required by **us** for the cover to remain in force.

6. Rights of third parties

Only a **group policyholder**, an **insured person** (or their **parent** if they are under 18 years of age or their executor or legal representative in the event of the **death** of an **insured person**) or **us** may enforce the terms of this policy and the provisions of the Contract (Rights of Third Parties) Act 1999 do not apply.

7. No direct financial benefit

The **group policyholder** will not derive any direct financial benefit from or in relation to this policy.

8. Sanctions

We shall not be deemed to provide cover and we shall not be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose **us**, **our** parent company or our ultimate controlling entity to any sanction, prohibition or restriction under United Nations resolutions or the trade or **economic sanctions**, laws or regulations of the European Union, **United Kingdom** or the United States of America.

9. Restricted persons

This policy will not cover any injury, loss or expense sustained directly or indirectly by any **insured person** who is a terrorist or member of a terrorist organisation, narcotics trafficker, or purveyor of nuclear, chemical or biological weapons.

10. **Duty of Disclosure**

Remedies for group policyholder's breach of duty of fair representation of risk

If the **group policyholder** breaches its duty of fair presentation of the risk and, but for the breach, **we**

- a) would not have entered into the policy or
- b) would have done so only on different terms

we will have remedies as against the **group policyholder** as follows:

- a) **We** may avoid the policy and refuse all claims if:
 - i) the breach is deliberate or reckless, in which event **we** may retain the premium paid ; or
 - ii) but for the breach **our** underwriter would not have entered into the policy on any terms, in which event **we** shall return the premium.
- b) In all other cases:
 - i) where **our** underwriter would have charged more premium, any amounts payable by **us** will be scaled down to the ratio that the premium actually charged (the "Actual Premium") bears to the premium that he would have charged to assume that risk (the "Reference Premium"); and in addition
 - ii) where **our** underwriter would have written the risk on different terms (other than in relation to premium) the policy is to be treated as if it had been entered into on those terms .

Where this policy provides cover for:

- i) any person other than the named **group policyholder** (hereinafter referred to as an '**insured person**'); and
- ii) that person would, if they had taken out such cover in their own name, have done so for purposes wholly or mainly unconnected with their trade, business or profession,

We will not invoke the remedies which might otherwise have been available under this Fair Presentation clause as against the **group policyholder**, if the failure to make a fair presentation of the risk concerns only facts or information which relate to a particular **insured person**. However, if the **insured person** concerned (or the **group policyholder** acting on their behalf) makes a careless misrepresentation of fact, the **Insurer** may invoke the remedies available under this clause as against that particular person, as if a separate insurance contract had been issued to them, leaving the remainder of the policy unaffected. In those circumstances references within this clause to premium should be read as if they were references to that part of the premium which relates to the **insured person** concerned and any additional terms which might be applied will only be applied to the cover for that particular **insured person**.

Fraud or false information

By the group policyholder

Any fraud, deliberate dishonesty or deliberate hiding of information connected with the **group policyholder's** application for this policy or in connection with a claim, will entitle **us** to terminate the policy with effect from the date of such act.

In this event **we** will not refund any premiums and **we** will not consider for payment any claims which have not already been submitted to **us**.

Where claims have been made by **policyholders** under this policy, but remain unpaid, prior to the discovery of such fraud, deliberate dishonesty or deliberate hiding of information, where the **policyholder** making the claim had no involvement in it, such claims will be considered for payment in the usual way.

By the policyholder

Any fraud, deliberate dishonesty or deliberate hiding of information by a **policyholder** or an **insured person** at any time will make this policy invalid so far as concerns cover for that **insured person**.
