

**Notice of minimum number of the electorate required to petition for a referendum for an elected mayor**

Under the Local Government Act 2000 and under the Local Government and Public Involvement in Health Act 2007, one of the things we have to do by law is let people know about their right to ask for a referendum if they want an elected mayor to manage their council. We also have to tell you the numbers needed for a valid petition.

If 5% of the number of people on the local electoral register submit a petition asking for a referendum for an elected mayor, then the local council must hold a referendum in their area. We have listed the numbers of people the 5% equates to in each council district in Lincolnshire, as well as the total for Lincolnshire County Council – these figures apply from 12 February 2024.

<b>District</b>	<b>5% of electoral register needed</b>
Boston Borough	2455
East Lindsey	5500
City of Lincoln	3102
North Kesteven	4666
South Holland	3616
South Kesteven	5460
West Lindsey	3723
Lincolnshire	28522

These figures will be used to check the validity of any petition received between 1 April 2024 and 31 March 2025 or any earlier date required by Government Regulation.

Every year we publish the 5% figures and remind you of your right to tell us in a petition that you would like a referendum.

The petition must be signed by the correct number of people (using the 5% figures for your district listed above) and delivered to a council's 'principal office'.

In Lincolnshire you have two 'principal offices' – your local District Council and Lincolnshire County Council. If you want a referendum for both, petitions need to be completed and sent to both.
