Dear Committee Members

### **Audit Completion Report – Year ended 31 March 2021**

We are pleased to present our Audit Completion Report for the year ended 31 March 2021. The purpose of this document is to summarise our audit conclusions.

The scope of our work, including identified significant audit risks and other areas of management judgement, was outlined in our Audit Strategy Memorandum which we presented on 14 June 2021. We have reviewed our Audit Strategy Memorandum and concluded that the original significant audit risks and other areas of management judgement remain appropriate.

We would like to express our thanks for the assistance of your team during our audit.

If you would like to discuss any matters in more detail then please do not hesitate to contact me on 078 1375 2053 .

Yours faithfully

Signed: **{{\_es\_:signer1:signature}}**

**Executive summary**

# 1. Executive summary

## Principal conclusions and significant findings

The detailed scope of our work as your appointed auditor for 2020/21 is set out in the National Audit Office's (NAO) Code of Audit Practice. Our responsibilities and powers are derived from the Local Audit and Accountability Act 2014 and, as outlined in our Audit Strategy Memorandum, our audit has been conducted in accordance with International Standards on Auditing (UK) and means we focus on audit risks that we have assessed as resulting in a higher risk of material misstatement.

In section 4 of this report we have set out our conclusions and significant findings from our audit. This section includes our conclusions on the audit risks and areas of management judgement in our Audit Strategy Memorandum, which include:

- Management override of controls; and
- Valuation of investments within level 3 of the fair value hierarchy.

Based on the audit work completed to date there are no identified significant control deficiencies and no unadjusted misstatements that we are required to report to the Audit Committee.

## Status and audit opinion

We have substantially completed our audit in respect of the financial statements for the year ended 31 March 2021. At this present time we envisage giving our opinion in November 2021 alongside the opinion on Lincolnshire County Council's financial statements.

At the time of preparing this report, there are some matters outstanding as outlined in section 2. We will provide an update to you in relation to the matters outstanding through issuance of a follow up letter. Subject to the satisfactory conclusion of the remaining audit work, we have the following conclusions:

### Audit opinion

We anticipate issuing an unqualified opinion, without modification, on the financial statements. Our proposed audit opinion is included in the draft auditor's report in Appendix B.

### Consistency report

We anticipate concluding that the Pension Fund financial statements within the Pension Fund's Annual Report are consistent with the Pension Fund financial statements within the Statement of Accounts of Lincolnshire County Council. Our draft consistency report is provided in Appendix C.

### Wider powers

The 2014 Act requires us to give an elector, or any representative of the elector, the opportunity to question us about the accounting records of the Fund and to consider any objection made to the accounts. No objections or questions from local electors have been received.

## COVID-19 impacts

The implications of the pandemic required remote working in relation to this audit. Whilst auditing on a remote basis was challenging, we have been able to work in liaison with the finance team to deliver the audit and wish to thank them for their support.

Section 02:

**Status of the audit**

# 2. Status of the audit

Our work is substantially complete and there are currently no matters of which we are aware that would require modification of our audit opinion, subject to the outstanding matters detailed below.

| Audit area   | Status  | Description of the outstanding matters   |
|--|---|--|
| <b>Finalised financial statements</b>                  |  | The Pension Fund has revised its financial statements to reflect the updated valuations it has received from fund managers. We are completing our checks on the finalised financial statements before giving our opinion.  |
| <b>Audit Quality Control and Completion Procedures</b> |  | Our audit work, including the specific procedures carried out in relation to the significant audit risks identified, is yet to undergo the final stages of review by the Engagement Lead. In addition, there are residual procedures to complete, including completing our internal technical consultations on the proposed audit opinion and the updated financial statements, updating post balance sheet event considerations to the point of issuing the opinion and obtaining final management representations. |

-  Likely to result in material adjustment or significant change to disclosures within the financial statements.
-  Potential to result in material adjustment or significant change to disclosures within the financial statements.
-  Not considered likely to result in material adjustment or change to disclosures within the financial statements.

# 03

Section 03:

**Audit approach**

# 3. Audit approach

## Changes to our audit approach

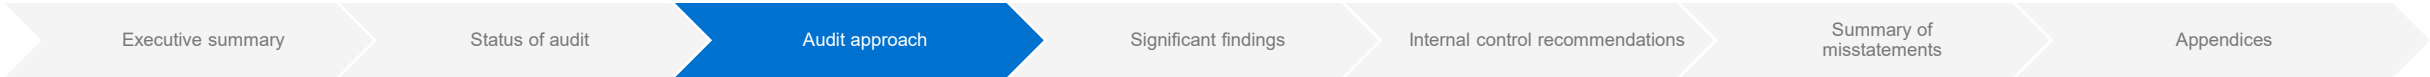

We provided details of our intended audit approach in our Audit Strategy Memorandum in May 2021. We have not made any changes to our audit approach since we presented our Audit Strategy Memorandum.

## Materiality

Our provisional materiality at the planning stage of the audit was set at £26.6 million using a benchmark of 1% of net assets available to pay benefits. We set a provisional specific materiality for the fund account of £10.4 million at the planning stage of the audit using a benchmark of the higher of 10% of contributions receivable and 10% of benefits payable.

Our final assessment of materiality, based on the final financial statements and qualitative factors was set using the same benchmarks:

- Statement materiality £27.4 million.
- Fund account specific materiality £11.4 million.

## Section 04: **Significant findings**

# 4. Significant findings

In this section we outline the significant findings from our audit. These findings include:

- our audit conclusions regarding other significant risks and key areas of management judgement outlined in the Audit Strategy Memorandum;
- our comments in respect of the accounting policies and disclosures that you have adopted in the financial statements. We currently envisage concluding that the financial statements have been prepared in accordance with the financial reporting framework; and
- any significant difficulties we experienced during the audit.

| Management override of controls | Description of the risk  |
|---------------------------------|--|
|                                 | In all entities, management at various levels within an organisation are in a unique position to perpetrate fraud because of their ability to manipulate accounting records and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. Due to the unpredictable way in which such override could occur, we consider there to be a risk of material misstatement due to fraud and thus a significant risk on all audits. |
|                                 | <p><b>How we addressed this risk</b></p> <p>We addressed this risk through performing audit work over:</p> <ul style="list-style-type: none"> <li>• Accounting estimates impacting amounts included in the financial statements;</li> <li>• Consideration of identified significant transactions outside the normal course of business; and</li> <li>• Journals recorded in the general ledger and other adjustments made in preparation of the financial statements.</li> </ul>   |
|                                 | <p><b>Audit conclusion</b></p> <p>Our work has provided the assurance we sought in each of these areas and has not highlighted any material issues to bring to your attention.</p>   |

## Significant risks

# 4. Significant findings

|  |  |
|--|--|
| <b>Valuation of investments within level 3 of the fair value hierarchy</b> | <p><b>Description of the risk</b></p> <p>At 31 March 2021 the Pension Fund held investments which were not quoted on an active market with a fair value of £344.0 million, accounting for 12.5 per cent of the Fund's net investment assets. This included: Alternatives (£274.3 million), Property (£6.9 million), Infrastructure (£50.4 million) and Private Equity (£12.4 million). Inherently these assets are harder to value, as they do not have publicly available quoted prices from a traded market, and as such they require professional judgement or assumptions to be made when valuing them at year end.</p> <p>As the pricing of these investment assets is subject to judgements, they may be susceptible to pricing variances for 2020/21 due to the assumptions underlying the valuation. We therefore consider that there is an increased risk of material misstatement.</p> |
|--|--|

**How we addressed this risk**

We addressed this risk by completing the following additional procedures:

- agreeing the valuation included in the Pension Fund's underlying financial systems to supporting documentation including investment manager valuation statements and cash flows for any adjustments made to the investment manager valuation;
- agreeing holdings from fund manager reports to the custodian's report;
- agreeing the investment manager valuation to audited accounts or other independent supporting documentation, where available;
- reviewing the valuation methodologies through review of accounting policies within audited financial statements and challenge of the fund manager, where required;
- where audited accounts are available, check that they are supported by a clear opinion; and

|   |   |
|---|---|
| <b>Valuation of investments within level 3 of the fair value hierarchy (cont'd)</b> | <p><b>How we addressed this risk (continued)</b></p> <ul style="list-style-type: none"> <li>• where available, reviewing independent control assurance reports to identify any exceptions that could present a risk of material misstatement in the Pension Fund's financial statements.</li> </ul> <p><b>Audit conclusion</b></p> <p>Our work has provided the assurance we sought in the above areas. It has however highlighted a material difference between the valuation of investments in the initial set of accounts prepared and the final version of the accounts on which we will be giving our opinion. This difference resulted from the timing of valuations received from fund managers. The adjusted misstatement involved is detailed on page 18 of this report.</p> |

## 4. Significant findings

### Qualitative aspects of the Trust's accounting practices

We have reviewed the Fund's accounting policies and disclosures and concluded they comply with the 2020/21 Code of Practice on Local Authority Accounting, appropriately tailored to the Fund's circumstances.

In line with our expectations, there have been no significant changes to accounting policies for the year ended 31 March 2021.

Draft accounts were received from the Fund on 22 June 2021 and were of a good quality.

### Significant difficulties during the audit

During the course of the audit we did not encounter any significant difficulties and we have had the full co-operation of management. It is however worth noting that our audit work has been completed through remote working arrangements as a result of the constraints imposed by the COVID-19 pandemic. Whilst challenging at times, through the effective use of technology and close liaison with finance and other officers of the Trust these challenges were overcome.

### Wider responsibilities

Our powers and responsibilities under the 2014 Act are broad and include the ability to:

- issue a report in the public interest;
- make statutory recommendations that must be considered and responded to publicly;
- apply to the court for a declaration that an item of account is contrary to law; and
- issue an advisory notice under schedule 8 of the 2014 Act.

We have not exercised any of these powers as part of our 2020/21 audit.

The 2014 Act also gives rights to local electors and other parties, such as the right to ask questions of the auditor and the right to make an objection to an item of account. No such questions or objections have been raised.

**Internal control recommendations**

# 5. Internal control recommendations

The purpose of our audit is to express an opinion on the financial statements. As part of our audit we have considered the internal controls in place relevant to the preparation of the financial statements. We do this in order to design audit procedures to allow us to express an opinion on the financial statement and not for the purpose of expressing an opinion on the effectiveness of internal control, nor to identify any significant deficiencies in their design or operation.

The matters reported in this section are limited to those deficiencies and other control recommendations that we identified during our normal audit procedures and that we consider to be of sufficient importance to merit being reported. If we had performed more extensive procedures on internal control we might have identified more deficiencies to be reported. Our comments should not be regarded as a comprehensive record of all deficiencies that may exist or improvements that could be made.

Our work has not identified any internal control issues to bring to your attention.

# 06

Section 06:

**Summary of misstatements**

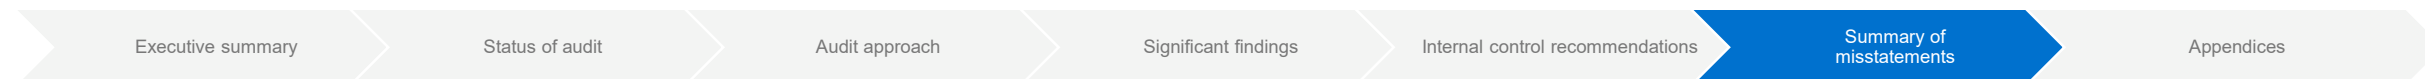

## 6. Summary of misstatements

This section outlines the misstatements identified during the course of the audit to date, above the trivial threshold for adjustment of £0.8 million. Where the draft accounts are formally signed and published in accordance with the Regulations any subsequent amendments are referred to as misstatements. This is the case even if such amendments are inevitable and result from the timing of the information available from investment fund managers as is the case this year. The change to the accounts detailed below was identified and proposed by officers from proactively tracking the asset changes from the information received. Last year we did our audit on the basis of a later set of accounts which already incorporated such changes. This explains why these valuation changes are highlighted in our report this year. There are no unadjusted misstatements in relation to the Pension Fund's 2020/21 financial statements. The table below outlines the misstatements that have been adjusted by management.

| Adjusted misstatements              |  | Fund Account |         | Net Assets Statement |         |

### Disclosure amendments

A number of minor disclosure amendments were made in response to the review of the Pension Fund's financial statements by our technical team. All such matters have been addressed in the final version of the Pension Fund's financial statements.

Dear Cameron

## **Lincolnshire Pension Fund - audit for year ended 31 March 2021**

This representation letter is provided in connection with your audit of the financial statements of the Lincolnshire Pension Fund ('the Pension Fund') for the year ended 31 March 2021 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 (the Code).

I confirm that the following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate, inspection of supporting documentation) sufficient to satisfy ourselves that I can properly make each of the following representations to you.

### **My responsibility for the financial statements and accounting information**

I believe that I have fulfilled my responsibilities for the true and fair presentation and preparation of the financial statements in accordance with the Code.

### **My responsibility to provide and disclose relevant information**

I have provided you with:

- access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other material;
- additional information that you have requested from us for the purpose of the audit; and
- unrestricted access to individuals within the Pension Fund you determined it was necessary to contact in order to obtain audit evidence.

I confirm as Executive Director of Resources that I have taken all the necessary steps to make me aware of any relevant audit information and to establish that you, as auditors, are aware of this information. As far as I am aware there is no relevant audit information of which you, as auditors, are unaware.

### **Accounting records**

I confirm that all transactions that have a material affect on the financial statements have been recorded in the accounting records and are reflected in the financial statements. All other records and related information, including minutes of all Pension Fund and Committee meetings, have been made available to you.

### Accounting policies

I confirm that I have reviewed the accounting policies applied during the year in accordance with the Code and International Accounting Standard 8 and consider these policies to faithfully represent the effects of transactions, other events or conditions on the Pension Fund's financial position, financial performance and cash flows.

### Accounting estimates, including those measured at fair value

I confirm that any significant assumptions used by the Pension Fund in making accounting estimates, including those measured at fair value, are reasonable.

### Contingencies

There are no material contingent losses including pending or potential litigation that should be accrued where:

- information presently available indicates that it is probable that an asset has been impaired or a liability had been incurred at the balance sheet date; and
- the amount of the loss can be reasonably estimated.

There are no material contingent losses that should be disclosed where, although either or both the conditions specified above are not met, there is a reasonable possibility that a loss, or a loss greater than that accrued, may have been incurred at the balance sheet date.

There are no contingent gains which should be disclosed.

All material matters, including unasserted claims, that may result in litigation against the Pension Fund have been brought to your attention. All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to you and accounted for and disclosed in accordance with the Code.

### Laws and regulations

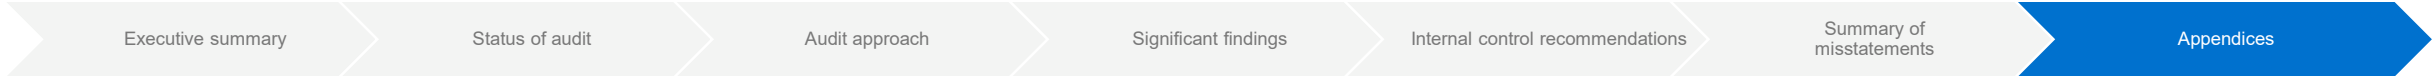

I confirm that I have disclosed to you all those events of which I am aware which involve known or suspected non-compliance with laws and regulations, together with the actual or contingent consequences which may arise therefrom. The Pension Fund has complied with all aspects of contractual agreements that would have a material effect on the accounts in the event of non-compliance.

### Fraud and error

I acknowledge my responsibility as Executive Director of Resources for the design, implementation and maintenance of internal control to prevent and detect fraud and error. I have disclosed to you:

- all the results of my assessment of the risk that the financial statements may be materially misstated as a result of fraud;
- all knowledge of fraud or suspected fraud affecting the Pension Fund involving:
  - management and those charged with governance;
  - employees who have significant roles in internal control; and
  - others where fraud could have a material effect on the financial statements.

I have disclosed to you all information in relation to any allegations of fraud, or suspected fraud, affecting the Pension Fund's statement of accounts communicated by employees, former employees, analysts, regulators or others.

# Appendix A: Draft management representation letter

**Assets**

I confirm that all assets held are free from liens, charges or any other encumbrance.

**Related party transactions**

I confirm that all related party relationships, transactions and balances have been appropriately accounted for and disclosed in accordance with the requirements of the Code.

I have disclosed to you the identity of the Pension Fund’s related parties and all related party relationships and transactions of which I am aware.

**Future commitments**

I am not aware of any plans, intentions or commitments that may materially affect the carrying value or classification of assets and liabilities or give rise to additional liabilities.

**Specific representation on unquoted investments**

Unquoted investments are included in the net assets statement at the value estimated by the general partner managing each fund in accordance with the guidelines used by the industry, and based on the latest information to hand at the time of the valuation. I am satisfied, based on the knowledge I have, with the valuations, and am not aware of any subsequent events that would have a material impact on the estimated value of the unquoted investments.

**Unadjusted misstatements**

I confirm that the effects of any uncorrected misstatements are immaterial, both individually and in aggregate, to the statement of accounts as a whole.

**Subsequent events**

I confirm all events subsequent to the date of the financial statements and for which the Code requires adjustment or disclosure have been adjusted or disclosed. Should further material events occur after the date of this letter which may necessitate revision of the figures included in the financial statements or inclusion of a note thereto, I will advise you accordingly

# Appendix A: Draft management representation letter

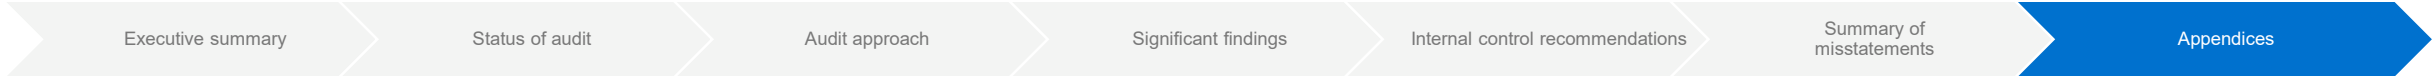

**Going concern**

To the best of my knowledge there is nothing to indicate that the Pension Fund will not continue as a going concern in the foreseeable future. The period to which I have paid particular attention in assessing the appropriateness of the going concern basis is not less than twelve months from the date of approval of the accounts. I have updated our going concern assessment in light of the Covid-19 pandemic. I continue to believe that the Pension Fund’s financial statements should be prepared on a going concern basis and have not identified any material uncertainties related to going concern on the grounds that current and future sources of funding or support will be more than adequate for the Pension Fund’s needs. We believe that no further disclosures relating to the Pension Fund’s ability to continue as a going concern need to be made in the financial statements.

Yours sincerely

Executive Director of Resources

# Appendix B: Draft audit report

## Draft Independent auditor’s report to the members of Lincolnshire County Council Report on the financial statements of the Lincolnshire Pension Fund

### Opinion on the financial statements of the Lincolnshire Pension Fund

We have audited the financial statements of Lincolnshire Pension Fund (‘the Pension Fund’) for the year ended 31 March 2021, which comprise the Fund Account, the Net Assets Statement, and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21.

In our opinion the financial statements:

- give a true and fair view of the financial transactions of Lincolnshire Pension Fund during the year ended 31 March 2021, and the amount and disposition of the Pension Fund’s assets and liabilities as at 31 March 2021; and
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21.

### Basis for opinion

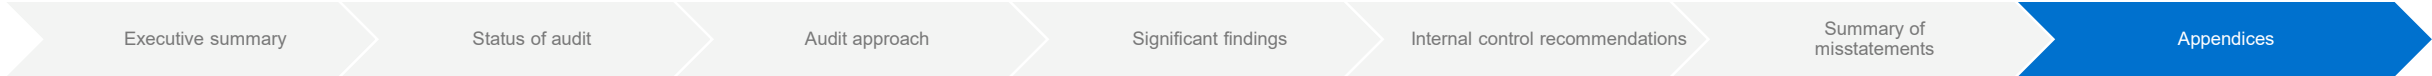

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor’s responsibilities section of our report. We are independent of the Council, as administering authority for the Pension Fund, in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC’s Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Executive Director of Resources use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Pension Fund’s ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Executive Director of Resources with respect to going concern are described in the relevant sections of this report.

# Appendix B: Draft audit report

### Other information

The Executive Director of Resources is responsible for the other information. The other information comprises the information included in the Statement of Accounts, other than the financial statements and our auditor’s report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

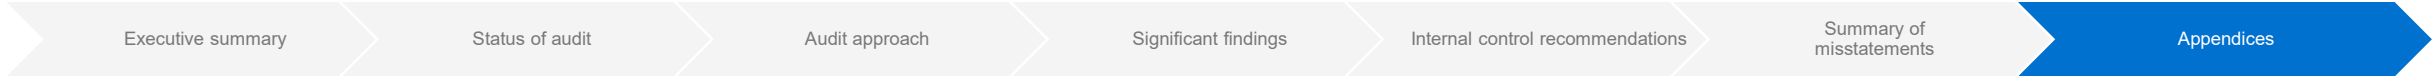

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Responsibilities of the Executive Director of Resources for the financial statements

As explained more fully in the Statement of Responsibilities for the Statement of Accounts, the Executive Director of Resources is responsible for the preparation of the Statement of Accounts, which includes the Pension Fund’s financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21, and for being satisfied that they give a true and fair view. The Executive Director of Resources is also responsible for such internal control as the Executive Director of Resources determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Executive Director of Resources is required to comply with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 and prepare the financial statements on a going concern basis, unless the Council is informed of the intention for dissolution of the Pension Fund without transfer of services or function to another entity. The Executive Director of Resources is responsible for assessing each year whether or not it is appropriate for the Pension Fund to prepare the accounts on the going concern basis and disclosing, as applicable, matters related to going concern.

# Appendix B: Draft audit report

## Auditor’s responsibilities for the audit of the financial statements

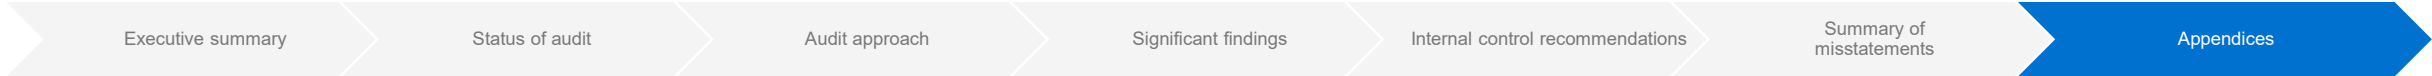

Our objectives are to obtain reasonable assurance about whether the Pension Fund’s financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. Based on our understanding of the Pension Fund, we identified that the principal risks of non-compliance with laws and regulations related to the Local Government Act 2003 (and associated regulations made under section 21) and the Local Audit and Accountability Act 2014 (and associated regulations made under section 32), and we considered the extent to which non-compliance might have a material effect on the financial statements.

We evaluated the Executive Director of Resources incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls) and determined that the principal risks were related to posting manual journal entries to manipulate financial performance, management bias through judgements and assumptions in significant accounting estimates and significant one-off or unusual transactions.

Our audit procedures were designed to respond to those identified risks, including non-compliance with laws and regulations (irregularities) and fraud that are material to the financial statements. Our audit procedures included but were not limited to:

- the policies and procedures regarding compliance with laws and regulations;
- communicating identified laws and regulations throughout our engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- considering the risk of acts by the \* discussing with management Pension Fund which were contrary to applicable laws and regulations, including fraud.

# Appendix B: Draft audit report

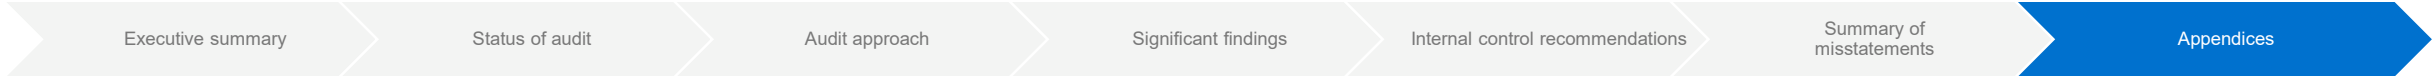

Our audit procedures in relation to fraud included but were not limited to:

- making enquiries of management on whether they had knowledge of any actual, suspected or alleged fraud;
- gaining an understanding of the internal controls established to mitigate risks related to fraud;
- discussing amongst the engagement team the risks of fraud; and
- addressing the risks of fraud through management override of controls by performing journal entry testing.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

We are also required to conclude on whether the Executive Director of Resources use of the going concern basis of accounting in the preparation of the financial statements is appropriate. We performed our work in accordance with Practice Note 10: Audit of financial statement and regularity of public sector bodies in the United Kingdom, and Supplementary Guidance Note 01, issued by the National Audit Office in April 2021.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

# Appendix B: Draft audit report

## Matters on which we are required to report by exception under the Code of Audit Practice

We are required by the Code of Audit Practice to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make a recommendation under section 24 of the Local Audit and Accountability Act 2014; or
- we exercise any other special powers of the auditor under sections 28, 29 or 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects.

## Use of the audit report

This report is made solely to the members of Lincolnshire County Council, as a body and as administering authority for the Lincolnshire Pension Fund, in accordance with part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 44 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the members of the Council those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members of the Council, as a body, for our audit work, for this report, or for the opinions we have formed.

Independent auditor's statement to the members of Lincolnshire County Council on the pension fund financial statements included within the Lincolnshire Pension Fund annual report

## Report on the financial statements

### Opinion

We have examined the Pension Fund financial statements for the year ended 31 March 2021 included within the Lincolnshire Pension Fund annual report, which comprise the Fund Account, the Net Assets Statement and the notes to the financial statements, including the summary of significant accounting policies.

In our opinion, the Pension Fund financial statements are consistent with the audited financial statements of Lincolnshire County Council for the year ended 31 March 2021 and comply with applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21.

### Respective responsibilities of the Executive Director of Resources and the auditor

As explained more fully in the Statement of the Executive Director of Resources' Responsibilities, the Executive Director of Resources is responsible for the preparation of the Pension Fund's financial statements in accordance with applicable United Kingdom law.

Our responsibility is to report to the Members of Lincolnshire County Council as a body, whether the Pension Fund financial statements within the Pension Fund annual report are consistent with the financial statements of Lincolnshire County Council. We conducted our work in accordance with Auditor Guidance Note 07 – Auditor Reporting, issued by the National Audit Office. Our report on the Pension Fund financial statements contained within the audited financial statements of Lincolnshire County Council describes the basis of our opinions on the financial statements.

### Use of this auditor's statement

This report is made solely to the members of Lincolnshire County Council, as a body and as administering authority for the Lincolnshire Pension Fund, in accordance with Part 5 paragraph 20(5) of the Local Audit and Accountability Act 2014. Our work has been undertaken so that we might state to the members of Lincolnshire County Council those matters we are required to state to them and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Lincolnshire County Council and Lincolnshire County Council's members as a body, for our audit work, for this statement, or for the opinions we have formed.

# Appendix D: Independence

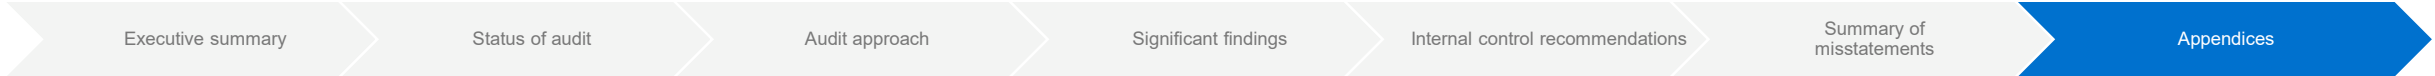

As part of our ongoing risk assessment we monitor our relationships with you to identify any new actual or perceived threats to our independence within the regulatory or professional requirements governing us as your auditors.

We can confirm that no new threats to independence have been identified since issuing the Audit Strategy Memorandum and therefore we remain independent.

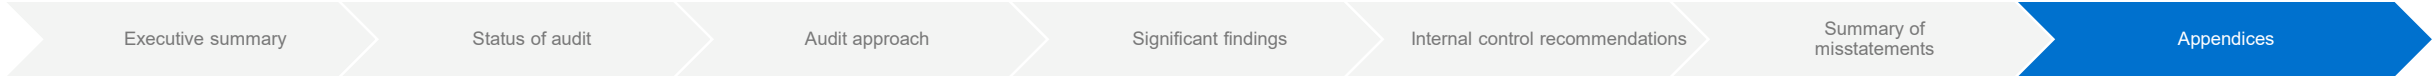

# Appendix E: Other communications

| Other communication                         | Response  |
|---|---|
| <b>Compliance with Laws and Regulations</b> | <p>We have not identified any significant matters involving actual or suspected non-compliance with laws and regulations.</p> <p>We will obtain written representations from management that all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements have been disclosed.</p>  |
| <b>External confirmations</b>               | <p>We did not experience any issues with respect to obtaining external confirmations.</p>   |
| <b>Related parties</b>                      | <p>We did not identify any significant matters relating to the audit of related parties.</p> <p>We will obtain written representations from management confirming that:</p> <ul style="list-style-type: none"> <li>a. they have disclosed to us the identity of related parties and all the related party relationships and transactions of which they are aware; and</li> <li>b. they have appropriately accounted for and disclosed such relationships and transactions in accordance with the requirements of the applicable financial reporting framework.</li> </ul>   |
| <b>Going Concern</b>                        | <p>We have not identified any evidence to cause us to disagree with the view of the Executive Director of Resources that the Lincolnshire Pension Fund will be a going concern, and therefore we consider that the use of the going concern assumption is appropriate in the preparation of the financial statements.</p> <p>We will obtain written representations from management, confirming that all relevant information covering a period of at least 12 months from the date of approval of the financial statements has been taken into account in assessing the appropriateness of the going concern basis of preparation of the financial statements.</p> |
