REGISTER OF DEPOSITS

The County Council is required by law to keep a register of maps and statements and Statutory Declarations deposited under Section 31(6) of the Highways Act 1980 available for public inspection on its website and in a paper copy format together with the deposited documents. Details including names, addresses and the location of land relating to a deposit which may be considered to be personal information are therefore in the public domain. This requirement overrides any entitlement a depositor may otherwise have under the Data Protection Act 1998 to prevent publication of such information. The paper copy of the register together with the deposited documents can be viewed by appointment during normal office hours (9:00am to 5:00pm, Monday to Friday) at the County Council's Public Rights of Way and Countryside Section at the above address.
