**(PROHIBITION OF MOTOR VEHICLES) ORDER 20**

**STATEMENT OF REASONS**

- The current traffic regulation order in force at High Street and Ironmonger Street prohibits vehicular access between 10am and 4pm and contains a number of exemptions.
- The purpose of this consultation is to make your organisation aware of proposed amendments to those exemptions which will ensure that effective enforcement of the restrictions may be carried out. The aim of this proposal is to enhance the pedestrianised nature of these areas and improve pedestrian safety.
- It is proposed to restrict vehicular access between 10am and 4pm daily for all vehicles except those referred to below:
  - Emergency services vehicles
  - Security/bullion vehicles
  - Vehicles displaying LCC waiver permit
- Before 10am and after 4pm vehicles involved in the following activities will be able to access the area:
  - Deliveries/Loading and unloading
  - Disabled parking
  - Operations relating to building, highway maintenance and utility works
- Whilst sufficient signage will be in place to allow the restrictions to be enforced, the order will also allow for a physical restriction such as bollards to be installed to enhance this between 10am and 4pm daily.
- Therefore, in accordance with the County Council's Policy, it is proposed to restrict vehicular access.
- The Chief Constable, Stamford Town Council and South Kesteven District Council have been consulted, along with other local groups/companies.
