INFORMATION ABOUT THE REGISTER OF DEPOSITS

The County Council is required by law to keep and maintain a register of highways statements and highways declarations deposited under section 31 (6) of the Highways Act 1980 and landowner statements deposited under section 15A (1) of the Commons Act 2006. The register is available for public inspection on its website and in a paper copy format, together with copies of the deposited documents. Details, including names, addresses and the location of land relating to an application, which may be considered to be personal information, will therefore be in the public domain. This requirement overrides any entitlement a depositor and landowner may otherwise have under the Data Protection Act 1998 to prevent the publication of such information.

10. 'Appropriate authority' means (a) in relation to a map or statement deposited or declaration lodged under section 31(6) of that Act, an appropriate council (as defined in section 31(7) of the Highways Act 1980); and (b) in relation to a statement and map deposited under section 15A(1) of the 2006 Act, a commons registration authority (defined in section 4 of the Commons Act 2006 and section 2 of the Commons Registration Act 1965). In practice, the appropriate council and commons registration authority will usually be the same body.
