Good Luck To Chris As He Takes On LNAA's Kilimanjaro Challenge

LNAA engineer Chris has joined five other supporters to take on the iconic challenge of trekking to the summit of Mount Kilimanjaro in aid of LNAA. Led by an experienced expedition team, the intrepid climbers will travel through varied and beautiful terrain to enjoy the mountain at its best.

A huge thanks to Heliservice who kindly sponsored Chris's space. We look forward to seeing photos of his incredible journey soon.

There is still time to sponsor Chris on his [justgiving page](#).

Over the last month the Finance Team have been rolling out a purchase order system to help streamline LNAA's procurement processes, strengthen financial controls, reduce missing invoices and to go paperless, amongst other financial operations benefits.

If you haven't been able to attend the recent workshops a Finance Purchase Order Guideline Booklet is available to download from Breathe, but please feel free to contact finance@ambucopter.org.uk if assistance is required.
