

# LINCS & NOTTS AIR AMBULANCE NEWSLETTER

OCTOBER 2023

**LINCS & NOTTS**  
**AIR AMBULANCE**

## Welcome

to our first parish newsletter – a chance for us to share with you information about the life-saving work of Lincs & Notts Air Ambulance.

We would also love to let you know how your parish can get involved in supporting our crew.

## DID YOU KNOW?

The Lincs & Notts Air Ambulance brings the equivalent of a hospital emergency department directly to the scene of some of the most serious incidents in Lincolnshire and Nottinghamshire. We attend on average 4 potentially life-saving missions every single day, 365 days of the year. Last year, the helicopter and critical care cars responded to a record 1,620 incidents, from serious road traffic collisions to agricultural injuries and cardiac arrests.

**2023 is set to be even busier.**

# WAYS YOU CAN HELP

## Request a talk

What is a HEMS paramedic?  
What equipment does our  
helicopter carry?

If you belong to a group or  
organisation, why not invite our  
fundraising team to visit and  
give an informative talk about  
who we are and what we do.
